CHALLENGE: Invite someone to a ministry-specific event

MONTHLY CHALLENGE:

For each week in the month of December, take the time to invite someone who doesn't have a personal relationship with Jesus to a ministry-specific event or church service. Be thoughtful and intentional about choosing events that would resonate with them. Remember, this is an opportunity to share the joy of the season, nurture relationships, and create meaningful connections. May they experience Christ's love through your invitation and be drawn closer to Him.

INSPIRATION:

- **Be thoughtful:** Consider what event they might enjoy or connect with. Whether it's KC Christmas, Very Merry Morning, or a typical Sunday service, tailor your invitation to their interests.
- **Be prayerful:** Continue to go to God in prayer, that God would prepare their heart and guide your conversation as you invite them and even beyond.
- **Be persistent in love:** Even if they've said no before, this season of celebration might inspire them to say yes. Keep showing care and interest in their life.
- **Be patient:** Trust God's timing. Remember, your role is to plant seeds. Even if the invitation doesn't lead to immediate results, God is at work in their heart.
